Weather =

There are four seasons in Newbeachland.

Spring is warm and wet. You can see many single dogs. In autumn, people love to go to the parks to see the colorful cows. Summer is very hot, the temperature is between 30°C - 35°C degrees. If you prefer cold weather to hot weather, you can be a snowman in winter. The temperature is between 0°C - 0.5°C degrees.
