One day, Jimmy played computer games in his bedroom
at night. He was relaxed and happy.

The next morning, he got up at nine o'clock in
the morning. He felt worried and scared. At
ten o'clock, Jimmy ran to the bus stop. He
missed the bus. He was ^{afraid} and ~~unhappy~~.

At half past ten, he arrived at school. Miss Li
punished him and he did not have recess.

He was anxious and sad.
