Cloudy

In the morning, I went to the Hong Kong Disneyland with my dad. I played on the roller coaster and rode on the cable car. I felt excited.

In the afternoon, I went to the recreation centre with Tim. I went swimming and sang karaoke. I ate some food in the cafe. I felt relaxed.

In the evening, I went to the shopping centre with my mum. I bought some dresses and my mum bought some T-shirts. Then, we went to the restaurant to have some food. I felt thrilled.
What a relaxing day!
