Sunny

In the morning, I went to the countryside  
with my friend. I went hiking excitedly. I flew kites,  
happily. I drew pictures under the tree with my friend.  
We felt very relaxed.

In the afternoon, I went to the park with  
my brother. We played hide-and-seek. We felt excited.  
After that, I played badminton with my brother. I won the  
games. My brother cried loudly.

At night, I went to the shopping centre with my  
mum and dad. We went to the restaurant and had a  
delicious dinner. After that, we went home by bus. We  
felt tired but happy.

What an exciting day!
