In the morning, I went to the park with my family. I went roller skating and jogging happily. Next, I played hide and-^{hide} and-^{hide} seek with my brother and sister, but I was weak in playing ^{hide} and-^{hide} seek. I felt tired but very happy.

In the afternoon, I went to the recreation centre with my family. I went swimming in the swimming pool excitedly. After that, I rode the bicycle in the playground. I felt interested.

At night, I went to the shopping centre with my family. I bought some clothes in the clothes shop. We were very hungry. Then, we went to the restaurant to eat hot pot. Finally, we went home happily.

What an interesting day!
