In the morning, we went to a Chinese restaurant. We had some dim sum. The food was very yummy!

In the afternoon, we went to ~~the~~ Ocean Park by bus. I was very excited.

First, Mum and I went to Panda House. Some pandas were sleeping. They were very cute.

After that, we rode on a cable car. I was very scared because of the height.

At night, my brother and ~~me~~^I rode on the roller coaster. Finally, Mum and Dad did not play on it because they were scared. But I thought it was exciting.
