Write a short paragraph about this game:

Children used to play tug of war, tops and hide and seek in the past.

I watched a game called tug of war in the video. It was one of the games in the past. Many children played in the game. They played this game in the (park) ^{or in the} playground. They needed a thick rope for the game. They did not pay money for the game. It was free of charge. I think this game is exciting but (sometimes) tiring.
