**Write a short paragraph about this game:**

Children used to play bearbags, hide-and-seek and clapping games in the past. I watched a game called tug of war. It was one of the games in the past. Many children played in the game. They played this game in the playground. They needed a very (thick) rope for the game. They did not pay money for the game. It was free of charge. I think this game is exciting and interesting.
