

Getting Sick After Overnight Stay

Tim went to his cousin's home last Saturday. He stayed overnight there. He played video games with his cousin for very long hours. He felt very excited. ✓

The next day, Tim was sick and had a sore throat. He stayed at home for the whole day. He felt bored and very ^{tired} tired. He was worried about the rehearsal for the drama.

During the rehearsal for the drama, Tim could not speak at school. Then, the teacher said, 'Go to see a doctor, Tim.' He felt very sorry for his teacher and his classmates.

In the afternoon, Tim went to see the doctor. The doctor said, 'You cannot speak because you have a sore throat, you need to take some medicine and drink a lot of water.' Tim felt unhappy because he could not join the drama performance.
