Jimmy's Day

Jimmy saved some money in the past few months. He had five hundred dollars. He felt thrilled. He wanted to buy a pair of new trainers. He ran to the trainer shop at once.

On his way, he knocked down a man. The leaflets dropped to the ground. Jimmy felt sorry. He helped the man pick up the leaflets.

At that moment, he picked up a leaflet and read it. The leaflet was about the tae kwon do course. He wanted to learn tae kwon do.

At last, he spent five hundred dollars to learn tae kwon do at the end. He felt delighted because he liked to learn tae kwon do.
