

Jimmy's Day

Jimmy saved money in the past few months. He had five hundred dollars. He was happy because he wanted to buy a pair of new trainers. He ran to the trainer shop at once.

On his way, he knocked down a man. The leaflets dropped to the ground. Jimmy felt sorry. He helped the man to pick up the leaflets.

At that moment, he picked up the leaflet and read it. The leaflet was about tae kwon do. He wanted to learn tae kwon do.

At last, he spent the money to learn tae kwon do. He felt delighted because he became stronger and healthier.
