

Jimmy's Day

In the past few months, Jimmy saved his pocket money day by day, so he had 500 dollars. Yesterday, Jimmy wanted to take his 500 dollars to buy a new pair of trainers, he ran to trainer shop quickly. He felt excited.

On his way, he knocked down a man and made his leaflets dropped to the ground. Jimmy felt sorry so he said to the man,

("Sorry! I'll pick up the leaflets to you.")

The man answered, "No problem! Never mind!"

Soon, he picked up one of the leaflet and take a look. Jimmy read it and knew that it was about Tae Kwon Do course. He wanted to take his 500 dollars to learn that course.

At last, when Jimmy was learning Tae Kwon Do, he felt very tired. He thought he was stupid that he didn't take his 500 dollars to buy the trainers.
