My Favourite Cartoon Character

My favourite cartoon character is Doraemon. He is short and fat. He has a big mouth. He does not have ears or fingers. He has big eyes and a magic bag. He has no hair. He is kind and clever because he helps Tai Hung every day.

Doraemon likes reading comics and playing with Tai Hung and Ching Heng in the park every day. Doraemon thinks Ching Heng is the cleverest.

I like Doraemon because he is kind and clever. I want to have a friend like him!
