

My Favourite Cartoon Character

My favourite cartoon character is Doraemon. He is short and fat. He has no fingers, hair or toes, but he has a big red nose, a very big mouth, two blue arms and ~~short and short~~ ~~and~~ big legs. He also has a bell on his neck. He is helpful and kind because he always helps Tai Hung to solve some problems.

Doraemon usually eats red bean buns. He likes playing with Tai Hung and Ching Heng. He sometimes plays baseball with Siu Fu. Doraemon thinks red bean buns is the most delicious food.

I like Doraemon because he is smart and friendly. I want to be a friend with him.

A red signature.
