

My Favourite Cartoon Character

My favourite cartoon character is Doraemon. He is short and fat. He has shorter legs than Tai Hung. He has a big mouth, short arms, a red nose and big eyes. He has no hair or neck. He is helpful because he can clean the floor.

Doraemon likes red bean buns. ~~He~~ <sup>Doraemon</sup>, Tai Hung and Ching Heng play in the park every day. They read comics together. Doraemon thinks Ching Heng is cleverer than Tai Hung. She is the cleverest.

I like Doraemon because he is clever and brave. I want to have a friend like him!
