Last Sunday, Detective

John was in Mrs Lee's home.

The blue diamond was missing at

her home. Detective John came

to help her.

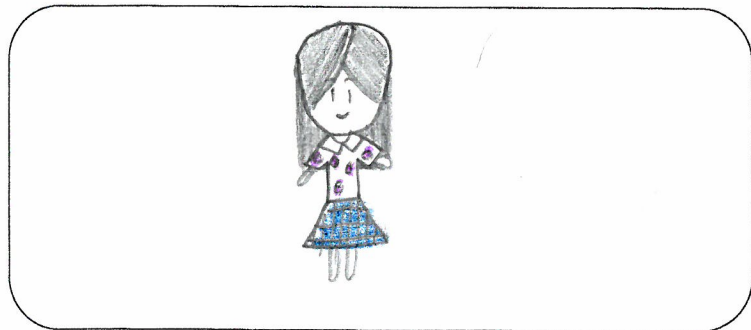

He was at Mrs Lee's home. He

was looking for Mrs Lee's old

classmate. She came here to visit

Mrs Lee.

She was with long straight
hair and thin eyebrows. She wore
a purple spotted blouse and a
blue checked skirt.

Detective John found her in
the lift. When he saw this person,
the blue diamond was missing at
Mrs Lee's home.

Finally, Detective John found
the blue diamond under Mrs Lee's
bed. He felt relaxed because
the case was closed.
