A Missing Dog Statue

Jim

6B(13)

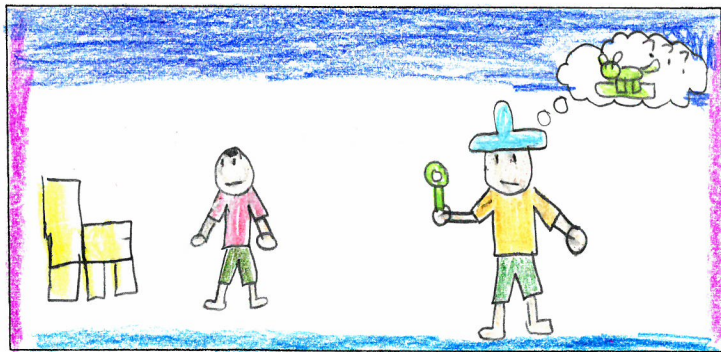

Last Sunday, Detective

Tommy was at Mr Chan's

home. The dog statue was

missing at his home. Detective Tommy

went to help him.

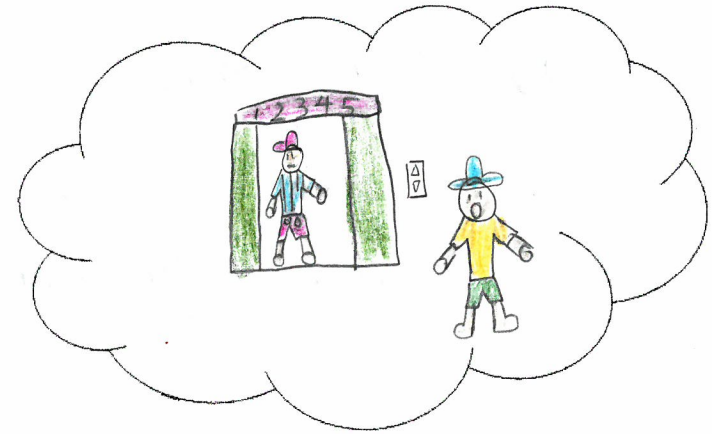

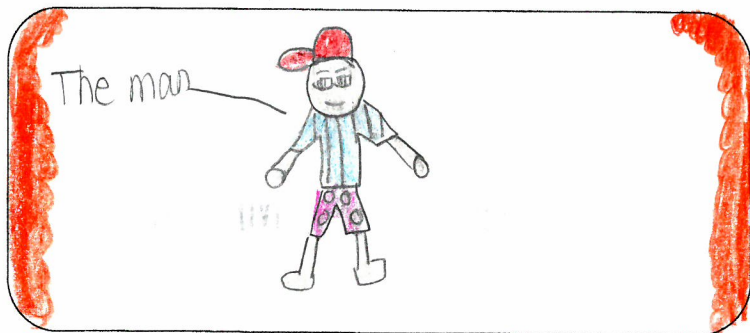

Detective Tommy was at Mr Chan's

home. He was looking for a plumber

because he went there to

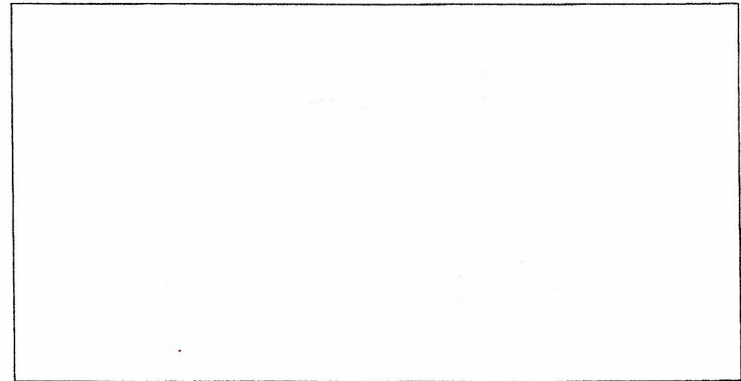

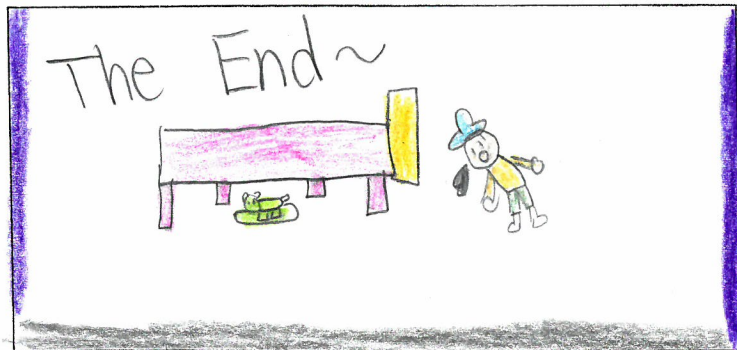

fix the toilet.

Then, Mr Chan said he was a
man with a scar on his hand,
long eyelashes and short straight
hair. He wore a blue striped
T-shirt, a red cap and spotted trousers.

After that, Detective Tommy
found him in the lift. He saw this
person when the dog statue
was missing at Mr Chan's home.

Finally, Detective Tommy found
the dog statue under Mr Chan's
bed. He felt relaxed because
the case was closed.
