Phoebe

613

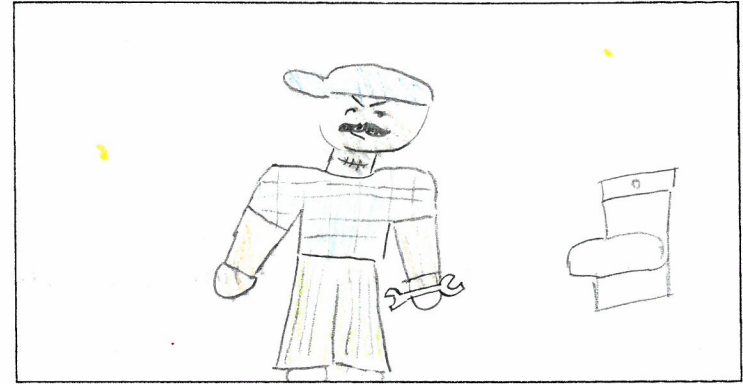

Last year, Detective Tickle

was at Miss Chan's home. The

fish statue was missing in her

home. Detective Tickle came to

help her.

He was at Miss Chan's

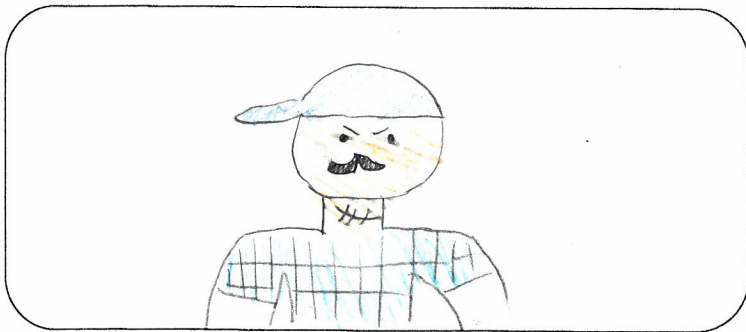

home. She was looking for a

plumber. He fixed the toilet,

He was a man with a

scar on his neck, thin eyebrows

and a moustache.

He wore a checked T-shirt,

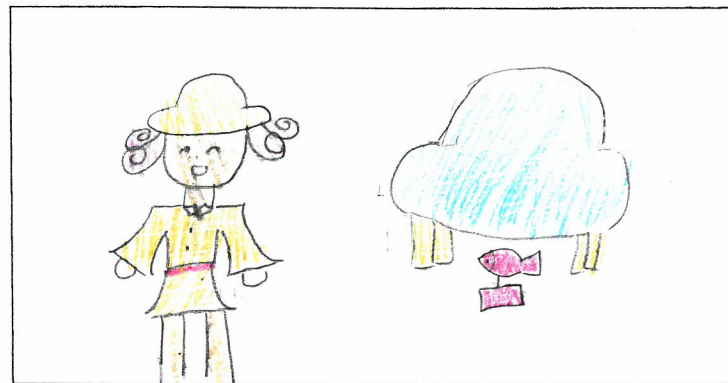

striped trousers and a navy cap.

Detective Tickle found the

plumber in the bathroom. When

she saw this person, the fish statue

was missing at Miss Chan's home.

Finally, Detective Tickle

found the fish statue under the

chair. She felt happy because

the case was closed.
