Last Monday, Detective

Haylie was in Mrs Lam's home.

The panda statue was missing

in her office.

Detective Haylie came to

Mrs Lam's office and visited

her.

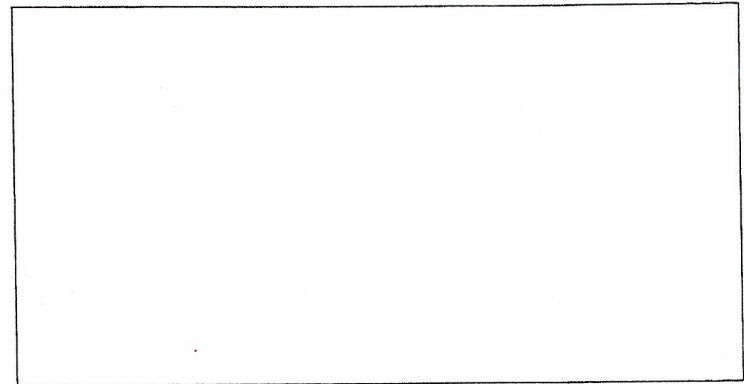

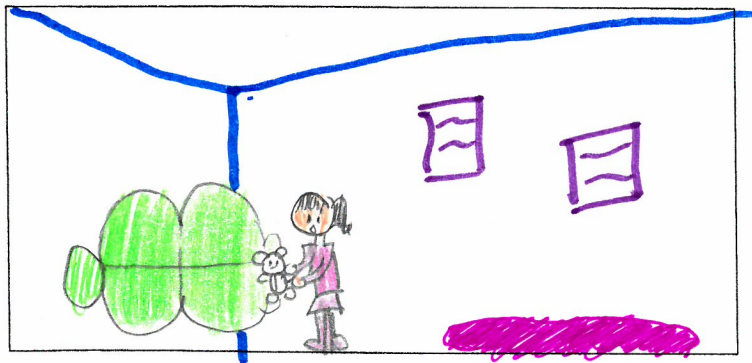

She told Detective Haylie
about the thief. She was in a
blue sweater and striped trousers.

She was with long curly hair, long
eyelashes and thin eyebrows.

Detective Haylie went to the
park and saw Mrs Lam's friend, Macy.
She thought Macy was the thief
when she saw this person.

Finally, Detective Haylie found the Panda statue on the sofa. She felt interested because the case was closed.
