The twelve animals

Suddenly, the rat was on the ox's back but the ox did

not know. Then, the rat was going to jump. After that, the ox jumped

ox was going to win. Suddenly, the rat ~~went~~ ^{and} onto the land

won the race. The rat was very delighted. He said, 'Yay! I'm

the winner now!' The ox was very shocked. 'How did he win the

race?' The rat said to the ox, 'HalHa! I'm the winner and

you're not the winner anymore!' The ox said, 'I'm sorry

for being rude.' From then on, the first year of the Chinese calendar is called the 'Year of the rat'. The other ten animals liked the rat very much.
