The twelve animals

Suddenly, the rat saw a leaf and used it to cross the river.

The ox was outraged and annoyed. The ox jumped and swam fast.

The ox used its horns to hit the rat.

After a while, the ox and the rat dashed to forest quickly.

The ox met a big snake. The ox was very frightened and ran away. The rat found a magic broom and jumped onto it to fly through the forest. On the way, the rat saw the big snake chasing the ox. The rat went to help the ox.

At last, the rat and the ox were the winner. The rat and the ox said, 'We are the winner, yeh!' From then on, the rat and the ox become friends. The year was named after the rat and the ox together.
