The twelve animals

Suddenly, the rat saw a duck and the duck helped

him to cross the river. The ox was mad and sally. The ox used the stones to hit the rat.

After a while, the ox and the rat ran to forest. The rat met its friend. It was a bird. It helped the rat fly through the forest. The ox was outraged. The ox ran quickly. The rat said, 'I was the winner.'

Finally, the rat won the race. The ox complained and said, 'I lose the race.' From then on, the year was named after the rat.
